Spa

From the moment you step into The Spa at The Broadmoor, you have embarked on an extraordinary journey of rejuvenation, balance and pure relaxation. Our Forbes Travel guide Five-Star Spa follows the footsteps of our founders, Spencer and Julie Penrose, who traveled the world to create an oasis of culture in Colorado Springs – then considered the uncivilized West. Our skilled spa practitioners honor this tradition with restorative treatments that are tailored to address the unique needs and wellness goals of every guest in a luxurious yet serene setting. Choose your treatment at <https://www.broadmoor.com/activities/spa/>.

Pools

Enjoy our three onsite pools; the outdoor infinity pool with a view of Cheyenne Lake and the mountains, the indoor spa pool with access to the Spa Café, or the heated lap pool for an exhilarating workout.
